Hi Frans and Helma,

Greetings from Cashel on this wet and windy day.
Frans I did meet you and your wife Anny in the Cashel Palace when you were over to visit. You may not remember me but I run the local Cashel Tourist Office and Heritage Centre in the town centre. I am involved in promoting tourism in the town, and managing the Cashel website.
I produce the Cashel Dining Guide, and the Cashel Tourist Guide.

I not sure if I mentioned an idea that I have for sometime that I wanted to get up and running.
I am interested on doing a walking tour of Cashel. There is already a town trail map and all spots of interest have a sign giving a little information in english and irish.

I want to expand this idea to all of the european languages of the european charter.
What I have in mind is that a tourist would come into the Cashel Tourist Office or log www.cashel.ie website and be able to download onto their phones the walking tour of Cashel in their own language of choice.

Of course I would like to extend this idea further in the future to include 3 day tours from Cashel to sights of interest within the area using GPS.

What I'm looking from you is help to locate someone from all of the European Charter towns to translate the Cashel Town Trail into their language. If I can get your help or suggestions regarding this idea I would appreciate it.

I would really appreciate if I could get the translation done for free or at a low cost. .. as I will be giving this service/as a free download to tourists,.

Looking forward to hearing from you.

Thank you

Kind Regards
