

Friendship between two families from Esch and Cissé

One of the goals of the Charter is to get to know people from other countries and learn about their habits, their way of life and become friends. Your webmaster has joined a delegation of people from Esch to visit Cissé in 2005. Since then, a warm friendship is started between two families from Cissé and two families from Esch.

October 2005: Diner with the Bouchet family in Cissé. The first contact is made.

May 2006: The Return Visit. The four families in Zierikzee, the Netherlands

May 2007: Back in France. The four families in Samur.
