

ZAGARE RESIDENTS VISIT KANDAVA IN JUNE 2011

Kandavas municipality celebrated the festival of Kandava region in 3-5 of June, 2011.

Zagares and Joniskis residents received invitation to participate in celebration: Deputi director of Joniskis municipality administration Aivaras Rudnickas, Economic development and investment department head officer Vilija Aleksienė, Head officer of elder of Zagare Stasė Eidukienė.

The celebration began with a universal pray and took place in Knight's Castle Mound. The priests and local representatives asked for unity and success of Kandava people, local government, the Latvian government, families.

The idea of holidays surprised. The impression was that people of the whole town involved here.

Children groups where performed at the town centre. Next to the music school, art school exhibition take place, children were painting, "the flea,, market was located near. Sport racing games were near secondary school and group of students sometimes shooting by on scooters. Craftsman located in the street leading to museum: shoeblack, harness, knitter of socks, yarn spinners... Merchants traded at the foot of the castle.

Antique cars lined up in the city square at noon.

Festival was culminated in a procession at 18 o'clock. Municipality leaders, guests, representatives from municipality organizations, school groups, sportsmans, public figures participated in the march. All participants gathered in outdoor stage, where famous rock musicians played. Finally, those who have all day "working" as a festival volunteer, was able to relax.

It was a holiday impressions.
