

## **Au Pair from Medzev working in the Netherlands**

During the Annual Meeting in Esch (NETHERLANDS) in 2005 a Dutch couple hosted a visitor from Medzev (SLOVAKIA).

They became friends and the Dutch couple went on holidays to Medzev to meet again. They met the daughter, Amália Ballaschová, who wanted to work in the Netherlands as Au Pair.

Since July 2007 is Amália in the Netherlands, and she learns the Dutch language very quickly! Although she doesn't stay in Esch, she spends her holiday with the Dutch couple, Wim and Maria Verhoeven.
