

Dear Charter Friends

We have a great pleasure to invite 8 people (4 adults and 4 youngsters) to the summer meeting in Kannus (Finland) from 6th to 10th July 2017.

Unfortunately we don't know if the proposal of the project 2017-2018 will be accepted. That means the Charter can't give any promises to support the travel costs. We will get more information during the meeting in Kannus.

However I hope this will not change Your plans. We are planning the very interesting program for meeting and it will be hold as planned.

We hope You can arrive on Thursday and the depature day will be on Monday.

The nearest airport is Kokkola and we will pick You up from there. There only flighs to Kokkola are from Helsinki and Stockholm.

If You fly to Helsinki, there is also a good train connections to Kannus (or to Kokkola, if the train doesn't stop at Kannus). The train takes about 4,5 hours but is comfortable and easy way to travel. Better than a car.

We will attach You the train timetable to help Your travelplanning.

By now many people from Kannus are ready to be Your hostfamilies and they will wait to see You.

We will send You the official program soon.

In any questions, please contact us!

Best regards

Terttu Korte
Mayor
